

▶ Count on FranFund® to help you **close more deals** ◀

With our experienced team of franchise funding experts, vast portfolio of funding options and concierge-service approach, you can trust in FranFund to help you close deals more effectively and efficiently. We make it a priority to understand your business first so that we can properly support your development process and continued growth.

Find out fast a candidate's loan acquisition probability with Franfund's lending pre-qualification assessments.

We offer a fundability assessment for your candidates to determine that individual's "probability score" of obtaining a loan. Once completed, Franfund interprets the results, and if the assessment yields a favorable prediction, you and your candidates can move forward with confidence in determining the best business opportunity for them.

Our comprehensive funding solutions include:

- ▶ **Business loans**
- ▶ **FranPlan™ 401(k)/IRA business funding**
with our exclusive Safety Net Program
- ▶ **Securities-backed financing**
